Translating and Interpreter Service (TIS)

If you do not speak English well you can phone the Translating and Interpreter Service for assistance.

- Call **13 14 50**
- Tell the operator, in English, the language you speak.
The operator will connect you to an interpreter who speaks your language (you may have to wait a while). When connected to the interpreter you can speak in your language.
- Tell the interpreter the name and telephone number of the service you wish to contact and TIS will contact the service while you wait on the phone.
- When you have been connected to the service, the interpreter will interpret for you and explain your enquiry.

INFORMATION & ADVOCACY SERVICES

Commonwealth Respite and Carelink Centre

Ph: **1800 052 222**

The centre provides information on any available community and residential care services for older people, people with disabilities and carers. If you have problems with English, you can ask for the assistance of a telephone interpreter.
