FIRST AID COURSE

<p>Course Structure</p>	<p>HLTAID001 Apply cardiopulmonary resuscitation HLTAID003 Provide First Aid</p> 
<p>Outcomes</p>	<p>Provides competencies required to recognise and respond to common life threatening injuries or illnesses. This includes providing life -support using cardiopulmonary resuscitation (CPR) and to manage the casualty and incident until the arrival of medical or other assistance. In low risk workplaces, first aiders should be sufficiently trained to perform CPR and treat minor illnesses and injuries.</p>
<p>First Aid in the workplace</p>	<p>Workcover NSW - First aid training requirements - Access to first aid facilities, equipment and resources, including adequate numbers of workers trained to administer first aid, must be provided in the workplace.</p> <p>Types of first aid training - First aiders should hold a nationally recognised statement of attainment issued by a registered training organisation (RTO) for the nationally endorsed first aid unit/s of competency.</p> <p>Refresher training for first aiders - First aiders should attend training on a regular basis to refresh their first aid knowledge and skills and to confirm their competence to provide first aid. Refresher training in CPR should be undertaken annually and first aid qualifications should be renewed every three years.</p>
<p>Delivery Mode</p>	<p>Self- paced written theory activity to be completed prior to workshop</p> <p>One day group workshop with other learners in a classroom type environment</p> <p>Can be delivered at the workplace</p>
<p>Course Fees</p>	<p>99 per person - group discount may be available - please contact JobQuest</p>
